May 2021 Prayer Letter

Dear Family and Friends,

We want to thank you all for your prayers and financial support these last few months. We hope you are all doing well!

These last few months, Jacob and miss Lydia has started back doing in person displeship, teen activities, pick ups for church and preparing to plant New Haven Baptist Church in Winterhaven, CA for the Quechan tribe. Our support level is at 93%. We are praising God for His goodness towards us.

During the month of February, the reservation was not open. So, we continued with online service. While I (Brother Jacob) was not able to minister much to the Cocopah. I started doing a lot of door knocking in Winterhaven, trying to figure out the how we could speed up the process in purchasing the new building in Winterhaven, studying and preparing sermons.

Towards the end of March, We got news that the Cocopah and Quechan reservations opened up for us to pick up people for church. On April 9th, we had our first Teen Rally in a year. It was fun and exciting to see all 12 teens

come back to church. We had a blast!! I gave an devotion. We had games and food.

On April 18th, we had our grand opening at New Haven Baptist Church. We had 7 people from the local area who came out to our grand opening service. What a blessing!!

Please, continue to keep us in your prayers!!

For the ones who do not support us, we would ask you to pray about doing so. For those who are unable to support, thank you for being our warriors in prayer! God Bless!

2 Corinthians 4:3-4

“But if our Gospel be hid, it is hid to them that are lost: in whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto.”
