Dear Prayer Warriors,

While visiting missionaries in Morocco, I learned a new (for me) song. « Great is thy faithfulness ». Truly , « God is great and greatly to be praised ». We are grateful for you and for the privilege to serve with you in the greatest work on earth, preaching the Gospel to a lost and dying world.

We are where we are, because of you!

Pray for our outreach via « live-stream ». More and more are tuning in. The work goes on and God is blessing.

Please pray for Joachim, a new Christian, as we disciple him. Pray for the salvation of Pierre, Alexandre, and Hassan, a muslim, We look forward to the day when we can tell you about their salvation!

We will keep you informed regarding the work on the building in Namur.. The Lord blessed us with a plumber who offered to do all the plumbing and the installation of a new heating system, **free of charge!**

With you in the Harvest.

Joe and Mary

Great is the Lord and greatly to be praised!
