Prayer letter

Hello Fellow-soldiers in Christ!

God is good, all the time! It is a blessing to keep plodding on for the Lord! He gives us strength, encouragement, needed health, and all needs. Thank you too, brethren, for giving and praying for us in Guerrero, Mexico.

Mrs. Alicia, at 91 years of age, did succumb to the Covid virus. Her family really misses her. Our church loved her too (she came many times to our church while visiting her daughter who is a member). She was born-again!

We kept on knocking doors in the villages of San Miguel & San Martin and indeed finished. We left a gospel of John or an epistle of Romans at every home. We witnessed at many homes, but not a single family embraced the Gospel of Jesus Christ... Sad! Tracts were passed out unsuppressed. God led us to begin witnessing door-to-door in two, new towns. Palo Blanco is a larger town and I have been taking groups of soul-winners there. Its people have been more tender and willing to listen. Just Bro. Ciro and I have been knocking the doors in Tepechicotlan on Friday mornings before driving up to Mexcaltepec to preach.

After not having a missionary visit for a while, we prayed for God to send some. He did! The latest missionary will be taken on for financial support by the church, Lord-willing. He is a missionary to Chile and has been there already six years.

Knocking doors in Chilpancingo, my sweet Apolonia won Cecilia Galeana to the Lord Jesus. She has been going to church since then (about two months). I expect Cecilia to be baptized hopefully soon, as we are praying for her to obey. Religious folks had formerly messed up her thinking with bad doctrine. She is slowly listening now to the Truth! Apolonia is excited.

We are planning a trip to Texas and Louisiana at the end of 2021 (for about five weeks), if God grants. First, to participate in a Missions' Conference at my sending church, then to visit extended family and a few supporters (some of you). Please pray that God will use us for His precious Cause and bring Him glory. God bless!!!

For the Cause of Christ,

Nathan Patterson.
